ADDED A LANE CLOSURE

Metro Road Work...

Avoid I-285 This Weekend

ATLANTA – Georgia Department of Transportation projects to improve highway infrastructure throughout Metropolitan Atlanta this weekend, weather permitting. Motorists again are asked to avoid non-essential travel on Interstate 285. Projects there will require lane closures, which, in turn, are likely to result in delays.

The traveling public is encouraged to call 511 or consult 511ga.org before departing for real-time information on work status and traffic conditions.

Planned work this weekend is as follows:

- On the southwest side of I-285, sign structure work will require two northbound lane closures from SR 6/ Camp Creek Parkway to SR 154/SR 166/ Campbellton Road/ Langford Parkway and one southbound lane from Cascade Road to SR 139/Martin Luther King Jr. Drive to the I-20 interchange, continuously from 9 p.m., Friday, until 5 a.m., Monday;
- Two northbound lanes on I-285 will close between the I-20 interchange and Bolton Road and two southbound lanes between Bolton Road and South Atlanta Road continuously from 9 p.m., Friday, until 5 a.m., Monday, for concrete rehabilitation;
- On I-285, two northbound lanes and one southbound lane will close from Lavista Road to SR 13/ Buford Highway, continuously from 7:30 p.m., Friday, until 7:30 a.m., Sunday, for sign structure and variable speed limit work;
- On I-20, three eastbound and two westbound lanes will close between Langhorn Street and McDaniel Street for bridge joint repairs, continuously from 9 p.m., Friday, until 5 a.m., Monday;

- **Two westbound lanes will close on I-20 between Fulton Industrial Boulevard and the I-285 interchange, continuously from 9 p.m., Friday, until 5 a.m., Monday;**
- **On Georgia (State Route) 400, one northbound and one southbound lane will close between Sidney Marcus Boulevard and the I-285 interchange from 7 a.m., Saturday until 7 p.m., Sunday for fiber optic cable installation;**
- **The Jimmy Carter Boulevard Bridge at I-85 will close continuously from 9 p.m., Friday, until 5 a.m., Monday to allow contractors to complete the diverging diamond crossover;**
- **A rolling lane closure will require various lanes to close on SR 280/ South Cobb Drive between I-285 and Austell Road from 9 p.m., Sunday until 5 a.m., Monday;**
- **Paving and concrete pours will require lane closures on SR 372/ Birmingham Highway at New Providence Road / Providence Road from 7 a.m., until 7 p.m., Saturday;**
- **On SR 140/Holcomb Bridge Road at Old Alabama Road one lane will close daily from 9 p.m., Friday, until 5 a.m., Monday;**
- **Pipeline construction will require one lane closure at SR 237/Piedmont Road and Habersham Road from 8 a.m., until 5 p.m., Saturday; and finally**
- **On SR 154/ Memorial Drive, one lane will close between the Moreland Avenue and Wilkinson Drive and one lane will close on SR 154/ Memorial Drive between East Lake Drive and Candler Road both closures are from 9 a.m., until 3 p.m., Saturday.**
- **Sidewalk repairs between Ponce de Leon Avenue and Paden Circle will close one lane on Saturday from 8 a.m. until early afternoon.**

Other Georgia DOT work and routine maintenance will necessitate various lane closures this weekend (as detailed in the attached spreadsheets); the Department also cautions that incident and emergency repair related closures may be necessary on any route at any time. As always, drive cautiously, courteously, undistracted and unimpaired.
