Metro Road Work...

Motorists are advised to exercise caution by reducing speed while driving through work zones.

The Georgia DOT encourages motorists to call 511, visit 511ga.org, or check the *511 Georgia and Atlanta Traffic* app before departing for real-time information on work status and traffic conditions.

Every day Georgia DOT employees work on roadways in close proximity to travel lanes. Whether they're in maintenance, in construction or are HEROs, it's dangerous. Fifty-eight Georgia DOT personnel and many more motorists, passengers and contractors' workers have been killed in work zone crashes since 1973. When you drive in a work zone, obey the rules: Pay Attention - Slow Down - Watch for Workers. It can make the difference between life and death. Visit www.dot.ga.gov/DS/SafetyOperation/Workzone.
