## **Working on the Railroad around the Clock**

**COMMERCE** – Norfolk Southern work requires lane closure on SR 98/North Broad Street beginning Saturday, April 18th in Commerce. The inside westbound lane of SR 98 from Line Street to SR 15/Jefferson Street/Homer Road will be closed around the clock for about a week as crews remove the existing cross-tie support wall and install a new cross-tie wall. The work is planned to finish by Friday, April 24 but could take longer if weather does not cooperate.

Traffic will continue to flow through the area but delays are expected.

*The Georgia Department of Transportation continues its RoadWorks 2014 construction program. Dozens of important roadway improvement projects are ongoing throughout the state as we work to deliver projects on time and on budget while keeping our transportation network the nation's finest. Pardon the necessary inconvenience and please drive cautiously and safely at all times, especially in work zones.
