## **Winter Weather Expected in Northeast Georgia**

### **What:**

The Georgia Department of Transportation crews are preparing for snowy and icy weather in Union, Townes, Dawson, Lumpkin, and White counties. Crews will treat State Route 515 in Union County at **8 p.m. on, Tuesday, January 19**. Crews are prepared to spread a salt and gravel mixture on state routes and interstates with snow and ice accumulations – if the need arises.

**Please Note:** Annalysce Baker, Georgia DOT Metro District Communications Officer, will answer media inquiries for Northeast Georgia. Natalie Dale, Media/Government Liaison, will respond to media inquiries for Metro Atlanta. Mohamed Arafa, Georgia DOT Northwest District Communications Officer, will respond to media inquiries for Northwest Georgia (see below for contact information).

Media will stage at the **District One Office, 2505 Athens Highway S.E. Gainesville, GA 30503** in Northeast Georgia.
