An amendment is required to the respective MPO's Unified Planning Work Program (UPWP) placing the associated funds in the funded portion of the UPWP. This specific

amendment can be completed administratively or through the respective MPO's standard UPWP amendment process.

The Greater Dalton, Warner Robins MPOs will need to provide progress status updates at the next GAMPO meeting in March 2024 and in writings to the Department prior to the upcoming meeting. This will enable the PL Funds Review Committee to thoroughly track progress, dollar amounts expended, and provide an effective oversight measure.

The Department looks forward to continue working with the GAMPO members and the MPOs in this process. If you have any additional questions, please feel free to contact Kayla Schaaf at khusted@dot.ga.gov.

Sincerely,

Matt Markham
