

## **Areas of Interest**

### **Traditional Project Delivery**

Concept Reports, PDP Manual, PDP Flowcharts, OPD Letter Templates, Field Plan Review Checklists, etc.

### **Alternative Project Delivery**

Design Build Manual, P3 manual

### **Bridge**

Bridge Manuals & Guidance

### **Cost Estimation**

Items listed under Engineering Services

### **Construction**

Items related to Construction (no content so far but area of interest being included for future use)

### **Design Software**

Design Software support documentation and downloads, Guidelines, Plan Presentation Guidelines, Electronic Data Guidelines, In-House Software, etc.

### **Drainage Design & Water Resources**

Stormwater Permit (MS4), Construction Stormwater (Erosion Control), Special Design Post-Construction Details, Drainage Manual, MS4 Permit

### **Environmental**

Environmental Manual

### **Materials**

Pavement Manual & information, Geotechnical Manual & submittal checklists

**Planning**

Traffic Forecasting Manual, Traffic Projections Request Form, Roundabout Traffic Tool Pavement Program

**Right-of-Way**

Right of Way Manual

**Roadway**

Context Sensitive Design Manual, Design Policy Manual, Design & Environmental Coordination Guidance, QC\QA Manual

**Survey**

Automated Survey Field Manual, Request Forms

**Traffic Operations**

Alternative Intersections, Driveway & Encroachment, ITS, Pedestrian & Streetscape, Signing & Marking, Signals, Intersection Control Evaluation (ICE)
