Re: GDOT P.I. 0015288 Fulton County

Dear Ms. Potter:

The Georgia Department of Transportation has recently completed a Phase II Environmental Site Assessment for the existing and proposed right-of-way of the above-referenced project for contamination. Soil and groundwater contamination was encountered which exceeds notification concentrations. The attached report, showing the owner(s) of the property and the locations, is being provided for your information. Also, attached is the signed HSRA Notification form. Please review the attached report and advise if and what further actions needs to be taken.

If you need additional information from this Office please contact Eugene Utsalo, P.E. at (404) 608-4735.

Sincerely,
Patrick Allen, P.E.

Re: GDOT P.I. 0014082 Walton County, GA; Site 1, Facility ID 9147048

Dear Sir/Madam:

The Georgia Department of Transportation ("Department") has recently screened the proposed right-of-way for the referenced project for contamination. Contamination was found on your property. The report of findings for the property is enclosed for your information. The Department wanted to make you aware of this situation since contamination is reported to the Georgia Department of Natural Resources Environmental Protection Division ("GAEPD").

If you need additional information from this Office, please contact Eugene Utsalo, P.E. at eutsaldo@dot.ga.gov or (404) 608-4735.

Sincerely,
