

Office of Materials and Testing Qualified Products List

This is a listing of approved Galvanizers prepared in accordance with the Office of Materials and Testing Standard Operating Policy 17 (SOP-17) entitled, “ Acceptance of Miscellaneous Construction Items ”. Please refer to Standard Specification ASTM A 123 of the American Society for Testing and Materials (ASTM) for material requirements.	QPL-53 Galvanizers	Inspection Services Branch 15 Kennedy Dr. Forest Park, GA 30297 Office Phone: 404-608-4885 Office Fax: 404-608-4888		
Galvanized products must be pre-inspected and stamped with a G.D.T. (Georgia Dept. of Transportation) number. Galvanized products without stamps or from galvanizers not contained within this list must not be incorporated into any GDOT work without prior approval from the engineer and should be reported to the Inspection Services Branch of the Office of Materials and Testing.
